176 Warren Avenue.
CHICAGO, ILL., Oct. 22, 1902.
For nearly four years I suffered from ovarian troubles. The doctor insisted on an operation as the only way to get well. I, however, strongly objected to an operation. My husband felt disheartened as well as I, for home with a sick woman is a discussolate place at best. A friendly druggist advised him to get a bottle of Wins of Cardui for me to try, and be did so. I began to improve in a few days and my recovery was very rapid. Within eighteen weeks I was another being.

Crerba Stown

Mrs. Stowe's letter shows every coman how a home is saddened by smale weaknes and how completely. Wine of Cardni cures that sick-ness and brings health and happi-cess again. Do not go on suffer-tion to the druggist today.

PEDERATION OF LABOR.

Unions Asked to Be Careful Relative to Placing Firms on Unfair List.

San Francisco, Nov. 18 .- At the session of the American Federation of Labor Tuesday the central labor body of New Orleans was censured by the

executive council. labor paper of the city because of an expression of opinion on the pas of the editor. This was styled by the council as a violation of a free press and a fundamental principle of unionism, and the New Orleans body was given 30 days in which to remove the soycott or the alternative of having its charter revoked.

Unions everywhere were cautioned to be more conservative in their acunfair list. It was recommended that such cases be referred to the federation, which would then thoroughly inestigate the boycott. situation in Colorado was re-

ferred to as "shocking" and a determination was expressed to aid the Western Federation of Miners, both norally and financially, in the efforts to have the matter brought before the ighest court in the land for final adjudication. The report concluded by urging all union men to work persist ently to the end that an anti-injune tion bill, eight-hour law and measures to regulate convict labor and enforce Chinese exclusion might be passed by congress.

One of the principal contentions of ferred to by the committee was the School is progressing nicely with existing between the brewery work-Miss Martha B. Roberts as teacher ers and the international Association of Firemen and Engineers, which the council recommended be submitted to special committee to be composed of two members from each union in brief visit with relatives in Va. volved and a like number of repre A number of folks of this place, sentatives from the American Federa attended church at Deep Hole last tion of Labor. It was polated out that most of the trouble between these or There will be preaching at this gantzations arose from the idea entertained by the brewery workers that by complying with the demands of the engineers and firemen the life of the Brewery Workers' union was threatened. The ultimatum of the council was that unless the latter or ganization recognized the provisions of the constitution of the American Federation of Labor and allowed engineers and firemen employed in breweries to come under the jurisdiction of their respective organizations before the end of the present session no at tention would be paid to the brewers' petitions to place firms on the unfair list, that the firms so listed by the brewers would not be recognized as such by the American Federation of Labor and that brewers' label would

not be considered by the feder-FRANCOIS AIRSHIP.
